ABOUT ME

Creative and detail-oriented UI/UX Designer with 4+ years of experience in creating intuitive and engaging digital experiences. Experienced in designing websites, web applications, mobile interfaces, and digital products with a strong focus on usability and visual consistency. Skilled in UI/UX Design, User Research, Wireframing, Prototyping, Visual Design, and Conversion Rate Optimization (CRO). Passionate about solving design problems and transforming business requirements into clean, user-friendly, and conversion-focused digital experiences.
